

DJ Play My Song!

I don't want to go home just yet.

DJ please play my favorite song,

Just one more song, I've been waiting all night long!

I can feel it in the air,

Just one more song.

DJ please play my favorite song, I've been waiting all night long!

I can't go home till I hear my song.

I've been waiting all night long.

I've been waiting all night long.

To dance to my favorite song

DJ play my song!

DJ play it all night long.

DJ play it long.

Please play my favorite song.

I aint going home just yet.

DJ please play my favorite song.

Just one more song the moment feels so right tonight!

Just one more song.

DJ play my favorite song!

I've been waiting all night long the moment feels so right tonight!

I'm not going home till I hear my favorite song.

I can't wait any longer.

I can't wait any longer.

I wanna dance all night long.

DJ play my song!

DJ play it all night long.

DJ play it long.

Please play my favorite song.

I'm begging and pleading play it now.

The moment feels oh so right
