

## Everybody's Girl

Oh baby what to think of you? Girls like you are all too few.

Your legs are so sturdy and your hair is so long.

That body, man it's so strong.

You're everybody's girl!

But, that's ok because it pays the rent then.

You're everybody girl!

You'll never go lonely with all that attention.

You're everybody's girl!

Cheap cash is your only intention.

Daddy's little girl with pig tails and curls. The day came when you got the feeling.

The things we buy are so damn appealing. Oh no I just can't wait now.

I got to have for a dollar and how.

You're everybody's girl!

But that's ok cause it pays the rent then.

You're everybody's girl!

You'll never go lonely with all that attention.

You're everybody's girl!

Cheap cash is your only intention.
