

It's Time!

What you say is not what you do, and that's alright baby, I do understand!

Tonight is the night that I need to hold you.

Tight oh so tight!

That's how I need to hold you,

Need to hold you.

So don't hesitate, don't you wait.

Before I walk out that door.

So don't, don't you wait, hesitate.

Before the eyes of love are stricken blind.

Don't you think it's time that we turn this love around?

Don't you think it's time that you kissed the ground I walk upon?

Don't you think it's time love me baby or I'll be gone?

I think it's! It's Time!

You always do not say for what you know!

It's Time!
