

Wondering

Wondering what's on your mind.

Do you think you love me baby?

Do you think you can find the time?

Can you see things in a different light?

Who do you dream about when you're asleep at night?

There's two sides to every story

There's no bottom to this deep blue sea

Everyone just keeps you guessing

I bet you can't guess what's inside of me.

I wonder, if the stars should fall would you be there for me?

I wonder, if the sun didn't rise would you be the light for me?

I talked to you just the other day.

You said we need our time apart,

We can't lead our lives this way.

I can't believe that it came to this,

Your part of my life that, that I know I'll miss.

There's two sides to every story

There's no bottom to this deep blue sea

Everyone just keeps you guessing

I bet you can't guess what's inside of me.

I wonder if the stars should fall would you be there for me?

I wonder if the sun didn't rise would you be the light for me?

I wonder how I keep these fears so deep inside of me?

Wondering!
