

US Army Corps
of Engineers
New York District

From the District Commander

CENAN-DE

MEMORANDUM THRU Chief, Operations Division

FOR Captain Joe Meyers

SUBJECT: Commendation Endorsement

1. It was a pleasure to read Mr. Ted Monette's letter of commendation on behalf of FEMA and I am further pleased to add my voice to his in expressing the thanks of the Corps for a job well done. Your expert and careful navigation of Congressional groups and other dignitaries from the Federal Emergency Management Agency's Disaster Field Office to the North Cove to view the World Trade Center's ruins was a key element of their successful visits. Please pass along my thanks to your crew - Joe Daskalakis, Walter Grauling and William Fort.

2. Keep up the great work! Essayons!
